5 key tools for leaders

1.

Allocate time to think and reflect

3.

Find a mentor who will challenge you

5.

Develop your soft skills

2.

Stretch yourself out of your comfort zone

4.

Be strategic and visionary

Most importantly remember

*Leaders play a big role in defining the
culture in the business.*

Thank you

*How can you be the person who is described as **the reason** for the turning point in someone's career?*
